I responsibly declare that:

1. All information provided in the application is true.
2. I will inform the Hellenic Institute of Non-Destructive Testing if any information on the certificate is incorrect, if I can no longer comply with the certification requirements or if the information given in this form has changed.
3. I will immediately inform the Hellenic Institute of Non-Destructive Testing about all the objections made against the certificate issued for me.
4. I exempt the certification body (Hellenic Institute of Non-Destructive Testing) from all claims that could arise from my activities as a certified person.
5. In case of suspension or revocation of my certification, I will refrain from providing any indication that I am certified.
6. I take responsibility for paying the fees of the certification in case they are not covered by my employer.
7. I agree that my personal data will be stored electronically for up to 10 years after the expiration of my certificate, will be used during the processing of my application and that my certification will be published electronically in a list of certified persons.
8. I agree to the processing of any data necessary to verify the information required for certification.
9. I have read, understood, and accepted the code of ethics of the Hellenic Institute of Non-Destructive Testing.
10. I understand the provisions of the European Regulation 2016/679 (GDPR) on the management of Personal Data, and I freely give my consent in accordance with Article 7 to the Hellenic Institute of Non-Destructive Testing to maintain and manage my personal data for certification needs.)
11. I have been informed of the examination conditions (lighting, temperature, noise, separation of candidates), ensured equivalent for all examinees, and of the health and safety provisions of the premises: escape routes and assembly point, fire-fighting and first-aid equipment, emergency procedures, and the personal protective equipment and safe-use rules for the equipment.

I'm aware that:

1. False information in the application form, misleading use of the certificate or logo and violation of the code of ethics will lead to the suspension or revocation of the certificate by the Hellenic Institute of Non-Destructive Testing at any time, as the Hellenic Institute of Non-Destructive Testing remains the holder of the certificate.
2. Certificates issued with errors will be revoked, corrected, and reissued with the original date of issue.
3. Certification in radiographic examination is not an authorization to work with radiation sources and that I must comply with legal provisions.
4. If confidential information is requested about my person by a third party, this can be given only after my explicitly written consent, unless a statutory regulation states otherwise.

Kindly proceed with the awarding of the Level 2 certificates to me as well (*)

I am happy for HINDT to contact me with information that may be of interest
